

**OFFICIAL ANNOUNCEMENT
FEI WORLD TEAM & INDIVIDUAL
FOR FOUR-IN-HANDS DRIVING CHAMPIONSHIP
MARATHON TEST**

Sunday, 23 September 2018, 11:45 EDT

This is an Official Decision concerning the following competition at the FEI World Equestrian Games™ Tryon 2018:

- **Driving** – Marathon Test

The Ground Jury have taken the following decision:

Due to the communications cable being cut by a carriage wheel at Obstacle 6 by the fourth last carriage in the Driving Marathon test, the Ground Jury relied on the timing for the last three carriages to pass through that obstacle (including that of Bram Chardon – Carriage 2001) being called in by radio.

In the results published @14:50 on Saturday afternoon (22 September), Bram Chardon's penalties were calculated based on him having a time of 1:44:40 at Obstacle 6.

However, it has come to the attention of the Ground Jury that, in fact, his time at Obstacle 6, is 1:04:44. This is confirmed by the manual record taken by the volunteer at Obstacle 6.

The incorrect timing was entered due to a typo/clerical error when inputting the time.

Therefore, the Ground Jury has decided to update Bram Chardon's penalties to reflect the correct timing at Obstacle 6. His revised score is 147.98.

The official results of (Marathon: Team and Individual) have been updated accordingly and published.
